

**SPONSORSHIP OPPORTUNITIES**

# **GFRA 2025 Scientific Meeting**

**OCTOBER  
21-23**

**ISTANBUL,  
TÜRKİYE**

## **Mission**

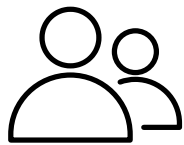

To establish and sustain global research partnerships to generate scientific knowledge and discover the tools to successfully prevent, control and eradicate FMD.

## **Vision**

A coordinated global alliance of scientists producing evidence and innovation that enables the progressive control and eradication of FMD.

# WHY SPONSOR GFRA?

The Global Foot-and-Mouth Disease Research Alliance (GFRA) is an international consortium that generates novel scientific knowledge to enable the progressive control and eradication of FMD. GFRA holds a biennial meeting which is a key focus for alliance activities and provides a forum for establishing and sustaining global research partnerships. Sponsorship of the 2025 conference provides opportunities for commercial partners to engage with the global FMD research community and increase their visibility and global brand awareness.

**Over 100+ leading scientists, vaccine research, diagnostic development, disease control policy influencers, international attendees**

**International recognition of your company**

**Build your network & develop meaningful relationships**
